Activities Abound at NES

Northridge Elementary School (NES) had an exciting week right before the Cincinnati Bengals headed to Super Bowl LVI. Since it was the first time in 30 years that the Bengals made it to the big game, students and staff participated in spirit week. Even some known Browns and 49ers fans were seen around the building sporting shades, winter accessories, and orange and black! It was a great way for the NES family to come together, whether they were football fans or not, and have some fun!

March Madness is coming soon! Have you ever wondered if elementary teachers and principals could actually play basketball? The NES staff will be playing a staff basketball game for your entertainment and to collect donations for *With God's Grace*. This staff basketball game will be open to the community on Tuesday, March 15th. More details will be posted on the Northridge website soon. Stay tuned!
