

Northridge Hall of Fame

Contact Info

We encourage Hall of Fame Inductees to submit info and pictures for web publication that will help to keep students up-to-date on your career. I would also like to replace the older black and white pictures with newer color ones if you have any available. Teachers are encouraged to offer suggestions on how our material might better assist you in your classroom activities. If you have questions or suggestions about the Hall of Fame display cases or the website, please contact me at llaverne@northridgeschools.org.
