**PRIMARY HEALTH SOLUTIONS  
SCHOOL-BASED HEALTH SERVICES  
ENROLLMENT PACKET**

**Welcome to Primary Health Solutions School Based Health Services (SBH).**

This center is very unique being school based. It offers the students and community member's access to medical care when it might otherwise not be available. We operate year-round and during the school year offer **NO COST** transportation from the schools in the districts where PHS provides services, to the health centers and back. The parents/ guardians are always welcome at the appointments but are not required to be there. After the first year, only items that change need to be completed. Examples - grade in school, school building, school district, addresses, phone numbers, medical history, insurance information, etc.

Once the student's completed consent and history are received, we will begin scheduling appointments for approved services. You will receive a notice of the student's appointment time by phone or note from school. If we do not receive a request to change the appointment, we will proceed as scheduled.

- Complete the required documents and return to school with the student or drop off at the health center.
- Scheduling may be delayed if there are missing documents or information is illegible.

Please feel free to contact us during regular business hours at **(513) 454-1111** or **(937) 535-5060**, if you have any questions.
